 - i. Any safe single shot rifle, any sights and 22lr ammunition.
 - ii. Shooting coat, safety glasses, sling, glove, hat, spotting scope, shooting mat(s)
 - b. F-class and Bench, 22lr only -
 - i. Shooters wishing to fire F-class or bench are welcome to shoot at the same time. Shooters pace will be at the direction of the match director matching the prone shooters.
 - ii. Shooters scores will not be maintained by the match officials. Shooters should plan on keeping their own records either individually or as a group.
 - iii. No fees are required and no targets will be provided. Shooters may purchase targets in the target house.
8. Firing Matches -
 - a. The first match, starting at 6:00, will be the official match for the week, as defined by the schedule further below.
 - b. An additional match will be held each week after the regular 40 shot for record match, if lighting conditions are suitable.
 - i. There will be no fee collected for this match.
 - ii. For the additional match, shooters will provide their own targets. Targets are available for purchase from the target house supply.
 - iii. Additional match target scores may not be substituted for league match scores.
9. Weather - No match will be postponed unless weather conditions become severe.
 - a. It will be the determination of the league officers present whether to fire the match or postpone it. In the event of showers, shooters should still proceed to the range, because we will conduct the match if the weather clears.
 - b. A postponed match will be fired in conjunction with the next regularly scheduled league match.
10. Junior Category - Junior shooters are encouraged to compete, and may do so at the reduced fee of \$1.00 per match.

11. Classification - Competitors with a BCSC Prone or NRA Classification from 2024, will be considered to have a valid classification.

- a. New competitors or those who do not have a current BCSC or NRA classification will be classified for the current season based upon the average of the first four match series fired in series in Monday competition beginning in May.
- b. The four match series can start with any of the scheduled matches but must be fired in sequence so that one match of each type is fired.
- c. Unclassified shooters will be grouped with the master/expert class until they have fired their first four match series and established their classification.
- d. Shooters will be classified/reclassified at the end of the season if they have fired in and completed one four match series during the 2025 season.
- e. Averages used for Classification (based on 1600 point aggregate):
